

COUPLINGS, HOSE REELS and ACCESSORIES

SECTION F  
COUPLINGS, HOSE REELS and ACCESSORIES

Breakaway Couplings

The DS5602 Breakaway Coupling, with Meeder's exclusive heavy duty spring, reduces the chance of LP-Gas hose being damaged during accidental drive aways. The BCT-1 Breakaway Coupling Resetting Tool is offered as an accessory to make Breakaway resetting a snap.

DESCRIPTION	REF.NO.	PART NUMBER	LIST PRICES
3/4" FNPT Breakaway Coupling	1	DS5602	126.00
Resetting Tool	2	BCT1	88.20

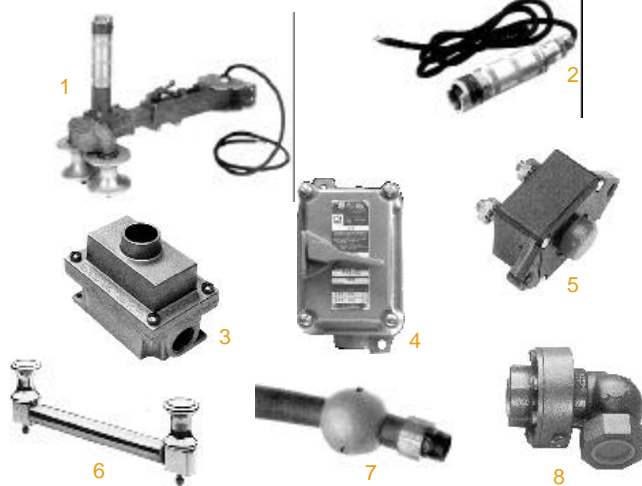

Quick Connect Couplings

These couplings completely eliminate the hazard and annoyance of leakage or spillage of fluids.
