

MISCELLANEOUS PRODUCTS and SAFETY EQUIPMENT

SECTION I MISCELLANEOUS PRODUCTS and SAFETY EQUIPMENT

Pipe Joint Sealer

Federal Process plastic lead seal is the most dependable, yet economical sealing compound you can use on pipe joints, plugs, screwed fittings, flanges and gaskets.

CANTYPE	SIZE	PART NUMBER	LIST PRICES
BrushTop	1/4pt.	803	19.38
BrushTop	1pt.	805	65.86

Pasco Pipe Wrap

Pasco corrosion protection tape conforms easily to odd shaped surfaces which make it ideal for wrapping joints and connections.

TAPEWIDTH	TAPETHK.	PART NUMBER	LIST PRICES
1"	.010"	501	4.16
2"	.010"	502S	8.44
4"	.010"	504	15.68
1"	.020"	511	7.48
4"	.020"	514	30.28

Gas Oil Soft Set (w/Teflon)

This is a smooth, non-hardening sealing compound for use in production, installation and maintenance. It provides a positive seal but is outstanding for pipe threads.

CANTYPE	SIZE	PART NUMBER	LIST PRICES
BrushTop	1/4pt.	800	11.80
BrushTop	1/2pt.	801	17.36
BrushTop	1pt.	802	28.96

Rectorseal #5

Rectorseal No. 5 has been tested and proved in millions of connections in maintenance work, in production assembly lines and in all types of construction projects.

CANTYPE	SIZE	PART NUMBER	LIST PRICES
BrushTop	1/4pt.	821	9.86
BrushTop	1/2pt.	822	14.73
BrushTop	1pt.	823	23.31

Penetrating Oil

Free-all deep penetrating oil is an exceptionally fast freeing agent for threaded connections, nuts, bolts, rusted parts, tools, etc. It penetrates rust scale, corrosion, tar, grease, dirt, carbon deposits and graphite without injury to basic metal or wood.

DESCRIPTION	PART NUMBER	LIST PRICES
12oz. Aerosol Can	807	10.52

Threaded Pipe Sealer

Thread-Tape pipe joint sealer seals all types of threaded connections—pipe joints and screwed fittings, under the most difficult service conditions.

DESCRIPTION	PART NUMBER	LIST PRICES
Teflon Tape 1/2"x288" Roll	809A	5.76
Teflon Tape 1/2"x576" Roll	809B	7.62
Teflon Tape 3/4"x576" Roll	TT33	11.64

GO-JO Original Hand Cleaner

GO-JO Original Hand Cleaner is a highly effective hand cleaner that dissolves dirt, grease and grime, removes tenacious stains and soils. It is equally effective with or without water.

DESCRIPTION	PART NUMBER	LIST PRICES
18oz. Tub	820G	6.24

TUF-DUK Gloves

Foam insulated vinyl impregnated (yellow) gloves.

DESCRIPTION	PART NUMBER	LIST PRICES
Mens Medium	31791M	24.50
Mens Large	31791L	24.50

Fire Extinguishers

Dry chemical pressurized type fire extinguishers are for use on electrical and flammable liquid fires. To meet the requirements of the State of California Department of Industrial Relations Unfired Pressure Vessel Safety Orders LP-Gas Section, we suggest the use of the following models: FX05B and FX10.

Fire Extinguisher Bracket

HYD-TUF Gloves

Cloth and vinyl gloves.

DESCRIPTION	PART NUMBER	LIST PRICES
Mens Medium	52547M	9.00
Mens Large	52547L	9.00

Wheel Chocks

T100

ME200

Large 7"x10"x12" wheel chocks will not damage tires if trailer is accidentally pulled over them. Tire bites into the top edge, forcing the chock into the ground.

DESCRIPTION	PART NUMBER	LIST PRICES
Aluminum design wheel chocks	T100	120.00
Aluminum "Double Grip" handle design wheel chocks	ME200	76.00
Rubber design wheel chocks	WC101	66.00

DESCRIPTION	HEIGHT	DIA.	PART NUMBER	LIST PRICES
