

RINNAI WATER HEATERS, FIREPLACE & INSERT and COOK TOPS

Continuous Flow Water Heaters-Residential

2532W 2532FFU

Remote Control

Rinnai's Continuum is the only system available that offers an endless supply of hot water through multiple outlets simultaneously. With the Continuum 2532 homeowners will be able to run two showers and a third point of use at the same time without any loss of temperature consistency.

DESCRIPTION	HOT WATER CAPACITY RANGE	PART NUMBER	LIST PRICES
15,000 to 199,000 BTU/HR (External Residential)	0.5 to 8.5 GPM	2532W	1778.00
